

The 2011 Fundraising Challenge for FSHD exceeds its goal!

February 2012

Dear Friends,

In November, Duncan and William R. Lewis, Sr., M.D., Chairman of the Board of Directors, together with Barbara and James A. Chin, Sr., David and Michelle Mackay (Jim and Michelle are members of the Board), and Corinne Bronfman, Ph.D., a major donor to the Society, joined together to

offer a challenge to the Society's members and friends to support promising new work that may lead to a treatment for FSHD. They asked you to make gifts to the **2011 Fundraising Challenge for FSH Muscular Dystrophy**, and they agreed to match your gifts up to a total of \$217,000, on a dollar-for-dollar basis, if you sent them by December 31, 2011.

I am delighted to report that hundreds of individuals, foundations and businesses in the FSHD community contributed **\$272,000** to the Challenge. The Challenge Team has made their matching gifts in recognition of all of you who have made gifts large and small. Together, you have all contributed **\$489,000**.

Notwithstanding the extraordinary economic environment in which we find ourselves, the FSH Society has concluded our most successful fundraising year ever, raising over **\$1,070,000** from generous friends like you. You help the Society make important progress. Thank you for supporting advances in research, education, outreach and advocacy.

The list that follows includes donors to the FSH Society in 2011. We hope you will continue to support this work by joining the Society again in 2012. Thank you and all good wishes to you and your families for the New Year.

Sincerely,

Nancy Van Zant
Executive Director
