Stuff you should know about...

- Learn more about the P.A.C.T. Initiative! P.A.C.T. stands for Patients Accelerating Clinical Trials. It is a collection of activities aimed at facilitating patient and family involvement that will increase our understanding of FSHD to accelerate progress.
- What YOU can do now to help? Learn about the P.A.C.T. Projects— [TestFSHD](#), [MOVE and MOVE+](#), [Health Economics Outcomes Research](#), and the P.A.C.T. Patient Registry (info coming soon!).

Plans are coming together for our PNW Walk and Roll to Cure FSHD! Once again, we will be having the event at Town Square Park in Federal Way, WA.
